

## G14 LED Filament Bulb - 40 Watt Equivalent LED Candelabra Bulb - Dimmable - 370 Lumens Part Number: US-LED-G14-27K

- Warm White

## Specifications

| Base Type               | E12 (Candelabra)             | Beam Angle                   | 360 degree            |  |
|-------------------------|------------------------------|------------------------------|-----------------------|--|
| Bulb Type               | G14                          | Comparable Wattage           | 40 Watts Incandescent |  |
| Current Draw            | 33mA                         | Diameter                     | 1.78 in               |  |
| Dimmable                | Yes                          | IP Rating                    | Damp Locations        |  |
| LED Lifetime            | 30000 Hours                  | LED Quantity                 | 4 LEDs (COB)          |  |
| LED Type                | COB (chip-on-board)          | Lens                         | Clear                 |  |
| Special Features        | Decorative Filament/High CRI | Standards And Certifications | CE/RoHS Compliant     |  |
| Total Power Consumption | 3.9 Watts                    | Туре                         | Globes                |  |
| Operating Voltage Range | 120 VAC                      |                              |                       |  |

For best dimming results, use an electronic low-voltage (ELV) LED dimmer. All specifications are subject to change without notice.

|   | Part NO            | Emitting<br>Color | Intensity per<br>LED | Intensity | CCT / Wavelength | CRI | Luminous Efficacy | Price Ea.          | Lumen Per<br>Dollar |
|---|--------------------|-------------------|----------------------|-----------|------------------|-----|-------------------|--------------------|---------------------|
|   | G14D-WW4DF-E12     | Warm 2700K        | 93 lm/led            | 370 lm    | 2700 K           | 83  | 94 lm/w           | 74.75 lumen/dollar |                     |
|   | G14D-WW4DF-E12-6PK | Warm 2700K        | 93 lm/led            | 370 lm    | 2700 K           | 83  | 94 lm/w           | 79.43 lumen/dollar |                     |
|   | G14D-UW4DF-E12     | Ultra Warm 2200K  | 61 lm/led            | 245 lm    | 2200 K           | 96  | 62 lm/w           | 49.49 lumen/dollar |                     |
|   | G14D-UW4DF-E12-6PK | Ultra Warm 2200K  | 61 lm/led            | 245 lm    | 2200 K           | 96  | 62 lm/w           | 52.59 lumen/dollar |                     |
| For best dimming results, use an electronic low-voltage (ELV) LED dimmer. |                    |                   |                      |           |                  |     |                   |                    |                     |
| All specifications are subject to change without notice.                  |                    |                   |                      |           |                  |     |                   |                    |                     |
